

MTR NEWS

Issue 06.

October 2022

Hi All, I hope everyone is well and looking forward to Halloween and Bonfire Night which are fast approaching. The nights are certainly getting darker earlier but is it just me or has it not been as cold as it usually is?

As we approach the 4th quarter of 2022, this is a period in the mobile industry some-

times referred to as 'silly season'. The lead up to Christmas, Black Friday sales and Cyber Monday should see a huge increase in sales across our eCommerce sites on eBay, Amazon and Back Market.

We also have some very exciting news; just in time for this busy period we have relaunched the 4Gadgets website which has gone through a number of changes and is now faster, clearer and the issues with the old site should now be resolved.

The site is live now www.4gadgets.co.uk and we would love to hear your feedback!

The increase in sales over the next 3 months is certainly going to put a strain on the relevant departments, and I'd like to take this opportunity to thank you all for your continued hard work as we run up to this challenging period.

The business is still very busy and the Samsung promotion doesn't seem to be slowing down just yet, which is great news and again I would like to thank you all for your hard work processing the handsets, in particular the 'Any Android' stock!

Finally, just a heads up to keep an eye out for the date for our Christmas party, which is being organised by Steve and Dom now and details should be with you soon. I look forward to seeing you all there!

Dom seems to have started a trend of signing off with a quote so I will leave you with

"Don't feel guilty if you don't know what you want to do with your life. The most interesting people I know Didn't know at 22 what they wanted to do with their lives. Some of the most interesting 40-year-olds I know still don't"

Baz Luhrman, 'Everybody's Free (To Wear SunScreen) 1999.

Highly recommended

I have bought 2 phones from here now. Both were in excellent condition and I am really impressed with them. Delivery was on time. Phones as described. No issues. One of the phones I have had for 9 months now and still no issues. I would definitely recommend.

MTR pool league

Mark has pulled out a 6 point gap at the top but has played 4 more games than Chris in 2nd.

Everything is still all to play for.

The league has been reduced down to remove all those that expressed an interest and have not played a game.

If you still want to get involved you can so get playing.
